

### **What are the hours of Prodigy Childcare?**

- We will be open from 6:30am until school starts and then after school until 6:00pm.

### **Where do we register and is there a registration fee?**

- We will be accepting registrations about a month before the start of school. This is because we have to wait until licensing lets us know how many children we can have in the space provided. There is a \$30 registration fee that will be paid during registration. If there is more than one child attending, the family registration fee is \$50.

### **How do I sign up?**

- As of right now we are only taking expression of interest with a registration closer to start of school. Expression of interests can be sent online at [www.prodigycc.com](http://www.prodigycc.com) under the contact tab.

### **I need a flexible schedule, can you help?**

- The short answer is, YES! You will sign up prior to the week of care and then can change your schedule. (keeping the same number of days scheduled) if need be. We will allow you to exchange dates of service within the same week. We are very flexible and willing to work with you as long as you communicate.

### **Will Prodigy be open on school vacations and days out?**

- Prodigy will be closed for major holidays, but will be at New Summit on all breaks, teacher/testing days and any planned early dismissals. We plan to have summer camp available for summer 2019.

### **What about snow days and delays?**

- We will work with New Summit Charter School to keep all staff and children safe. If the district has a delay, we will also have a delay if needed. If all parties concerned feel that it is safe to attend the New Summit location on any emergency delay or call off, then we will have care available on a day by day basis.

### **If my child wants to do a club or other after school activity can they still come to Prodigy?**

- Yes, parents MUST communicate this to Prodigy and provide us with written permission, but we will have to communicate details with all parties involved to ensure a safe transition from one program to another.

### **Will Prodigy offer a snack?**

- Yes, in the afternoon we will provide a healthy snack everyday.

### **Will my child have time to do homework?**

- Yes, everyday we will offer 30 mins of homework time where the students will have mentor guided help if needed.

### **Will you accept CCCAP?**

- Yes, we plan to work with parents who use CCCAP services.
